PART A: GENERAL SAILING INSTRUCTIONS

Preamble: These Sailing Instructions apply to the Interclub racing program jointly hosted by BYC and NSC.

1. RULES

- 1.1. Races will be governed by The Racing Rules of Sailing 2021-2024 (RRS), the prescriptions of Sail Canada, One-Design class rules, PHRF-LO ratings and these Sailing Instructions.

2. ELIGIBILITY & ENTRY

- 2.1. Boats from all clubs on Lac Deschênes are eligible to race when registered for racing with either BYC or NSC if the boat is a) owned and b) sailed by a full member of a Sail Canada recognized club.
- 2.2. Fleet racing in Monday through Thursday weekday and Sunday Frostbite series will be offered for the following classes: One-Design Keelboats, PHRF Keelboats, Women's Keelboats, JAM (Jib and Main) Keelboats, One-Design Dinghies, Handicap Dinghies, Catamarans and Sailboards. Terminology as used in this document - a "PHRF boat" is racing with a Flying Sails (FS) PHRF-LO rating and a "JAM boat" is racing with a Non-Flying Sails (NFS) PHRF-LO rating.
- 2.3. All boats must register for racing by completing and signing an entry form at BYC or NSC. Clubs will provide lists of registered boats and, where applicable, PHRF Certificates to the other club as soon as available. Non-registered boats will be shown as NR in the results and will not be scored until a Registration Form is submitted and processed.
- 2.4. PHRF Keelboat Divisions (BYC Classes) and JAM Keelboats are required to hold a valid and current PHRF-LO Certificate. Boats not holding a valid and current Certificate will be shown as NR in the results and will not be scored until a valid and current PHRF-LO certificate is submitted.
- 2.5. SI 2.3 and 2.4 do not apply to events designated as "FUN" events – see Annex A.
- 2.6. [DP] All boats should have sail numbers that conform to RRS Appendix G and/or Class rules. The race committee may score a boat, whose sail numbers do not conform, DNC. A boat may be temporarily exempted from this provision if they inform the Race Committee of their correct sail number prior to the warning signal.

3. CHANGES TO SAILING INSTRUCTIONS

- 3.1. Any changes to the sailing instructions or schedule of races will be posted 24 hours before they will take effect.

4. COMMUNICATION WITH COMPETITORS

- 4.1. Notices to competitors will be posted on the official notice board located in the BYC clubhouse and on the BYC and NSC websites.
- 4.2. The VHF channels used by the Race Committee are: BYC: 06; NSC: 72.

5. SIGNALS MADE ASHORE

- 5.1. Signals ashore will be signalled from the BYC and NSC Flag staffs. Such signals will apply to the races hosted by that club.
- 5.2. When Flag "AP" is displayed ashore the warning signal will be made not less than 30 minutes after removal.

6. SCHEDULE OF RACES

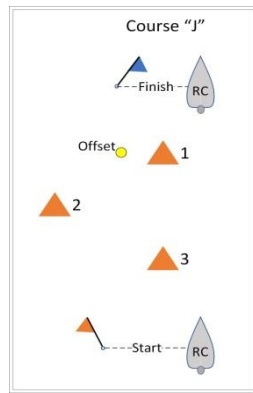

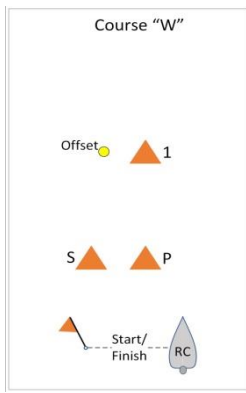

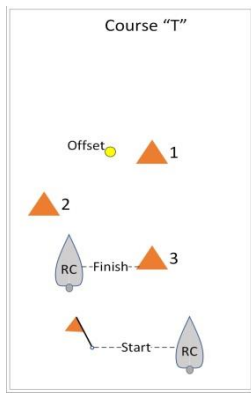

- 6.1. Racing will be offered as specified in the Series Calendar and Sailing Calendar - Weekend & Special Events.
- 6.2. The warning signal for the first start on weekday evenings will be at 1815, except as noted below. Effective September 1st, the warning signal will be at 1800. On the Thursday night one-design course, the first warning signal is 5 minutes earlier.

7. RACING AFTER SUNSET

- 7.1. [DP] From sunset until sunrise, all boats shall display navigation lights.

8. THE COURSES

- 8.1. Catamaran, Dinghy and Sailboard Fleets - see Part D - Wednesday Evening.
- 8.2. **Mondays, Tuesdays, Thursdays and Sunday Frostbite** - Courses laid with drop marks will be indicated by displaying Code Flags "T", "W" or "J", or with an optional "E" (referred to as WE, TE and JE) on the Race Committee Boat. Marks are left to port in the order indicated below, except that for course "W" or "WE" boats shall sail through the gate between Drop Mark 'S' and Drop Mark 'P' from the direction of the last mark and round either Drop Mark 'S' to starboard or Drop Mark 'P' to port, as shown in the diagrams.
- 8.3. Courses using fixed marks or a combination of fixed and drop marks, will be designated on the Race Committee Boat by displaying placards, read from left to right, indicating the order in which marks are to be rounded or passed. Marks will be designated by their names, for example "A", as shown in the BYC/NSC chart of the racing area (see <https://nsc.ca/web2/racing/lac-deschenes-charts/>), or by 'D/M' if an inflatable drop mark, or 'F/M' if the drop mark is a pole mark with a flag. Placards will be coloured red if the mark is to be left to port or green if the mark is to be left to starboard. Start and finish marks on courses with fixed marks will be the first and last marks shown on the course board.

- 9.2. Drop marks will be orange, yellow or green inflatables.
- 9.3. Fixed marks, as shown on the BYC/NSC chart of the racing area, are generally yellow spar buoys.
- 9.4. New marks as provided in SI 13 will be inflatables distinguishable from other drop marks on the course.

10. REPORTING TO RACE COMMITTEE

- 10.1. (DP) Each boat shall check in with the Race Committee prior to their preparatory signal by sailing to leeward of the RC boat and hailing their sail number and declaring "PHRF" or "JAM", if appropriate.
- 10.2. (DP) PHRF and JAM boats shall display on their backstay the appropriate class pennant. Boats that do not have a backstay shall display the appropriate class flag on either the aft end of their boom, or on their starboard shroud.
- 10.3. Boats competing in mixed PHRF/JAM (FS/NFS) racing and not displaying a class flag may be scored as PHRF (FS) and will not be eligible for redress.
- 10.4. (DP) Boats using main sails bearing numbers different from those registered on the entry form, must notify the Race Committee of their registered sail number prior to the first warning signal. Boats failing to do so shall not be scored.

11. THE START

- 11.1. A spacer mark may be placed on or near the starting line in the vicinity of the RC Boat, and is deemed to be an extension of the RC Boat. If a spacer mark is used, yachts shall NOT pass between it and the RC Boat.
- 11.2. (DP) Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races.
- 11.3. All yachts that have not started within four (4) minutes of their start will be scored DNS.
- 11.4. Catamaran, Dinghy and Sailboard Fleets – see Part D, Wednesday Evening.
- 11.5. If, at the start, a boat is identified as being on the course side of the starting line, the Race Committee may attempt to broadcast her sail number via VHF. Failure to make a broadcast will not be grounds for a request for redress. This changes rule 62.1(a). The VHF channels used for hailing shall be as follows:
BYC events: VHF channel 06. NSC events: VHF channel 72.

12. RECALLS

- 12.1. General recalls – RRS 29.2 is changed to delete the last sentence and replace it with – "The next warning signal shall be made one minute after the First Substitute is removed (one sound). The start order shall be determined by the Class Flag displayed."

13. CHANGE OF THE NEXT LEG OF THE COURSE

- 13.1. If the windward leg is changed the Race Committee may replace the mark and offset with a single mark to be rounded to Port.
- 13.2. For a “W” Course if the leeward leg is changed the Race Committee may replace the gate with a single mark to be rounded to Port.

14. SHORTENED COURSE

- 14.1. If a shortened course does not apply to all fleets, the class flag(s) for the affected fleet(s) shall be flown beneath Code Flag “S”. Different fleets may be finished at different marks, in which case there will be more than one committee boat used to finish fleets.

15. DISCONTINUED RACES

- 15.1. In the event that an abandonment is signalled in accordance with RRS 32.1 after one or more boats in a fleet have finished, the race shall be considered discontinued, and not abandoned. Boats that have not yet finished a race when it is discontinued shall be awarded points for the number of finishers plus one. Such boats shall be given a code of OCF (On Course Finish). This modifies RRS 32.1 in accordance with RRS 86.1(b).

16. PENALTY SYSTEM

- 16.1. For the catamaran fleet, RRS 44.1 is changed so that the Two-Turns Penalty is replaced by the One-Turn Penalty.
- 16.2. The provisions in this SI are in addition to the penalties in RRS 44.1. Boats may take a post-race penalty as provided in Appendix T, with the following modifications:
 - a) The Post-Race Penalty is a 20% Scoring Penalty calculated as stated in rule 44.3(c), if taken prior to the end of the protest time limit.
 - b) The Post-Race Penalty is a 30% Scoring Penalty calculated as stated in rule 44.3(c), if taken after the protest time limit expires.
 - c) If a boat is protested, the Post-Race Penalty shall be taken no later than 24 hours after the boat's owner/skipper is provided with a copy of the protest form.
 - d) A boat takes a Post-Race Penalty by e-mailing the Protest Coordinator(s) (protests@nsc.ca or protests@byc.ca) a statement that she accepts the penalty and that identifies the race number and where and when the incident occurred

17. HEARING REQUESTS

- 17.1. For the purpose of ruling on protests or requests for redress, the Interclub Sailing Instructions of BYC or NSC shall be used; with inconsistencies resolved by reference to the Sailing Instructions of the club whose Race Committee started the event. A racer that believes that a simple mistake has been made in the scoring of a race may file a Scoring Inquiry as outlined at <http://nsc.ca/racing/results/scoring-inquiry/> - Inquiries shall not be used to request redress. Submission of a Scoring Inquiry does not preclude a subsequent Request for Redress.
- 17.2. Protests and Requests for Redress shall be written on a Protest form and Redress Form. These forms will be completed electronically or by hand, and submitted by e-mail to protests@byc.ca, for BYC boats or protests@nsc.ca, for NSC boats. See <https://byc.ca/sail/rules-protests-forms> or www.nsc.ca/protests for forms and more information.
- 17.3. Protests are due by midnight on the day following the race in question
- 17.4. For Requests for Redress and scoring inquiries that arise from the posted results, the deadline will be 3 days after the results are posted to the web. Scoring inquiries that cannot be independently verified by the Race Committee will be referred to the Protest Committee as a Request for Redress.
- 17.5. The Protest Coordinator may act on behalf of the Protest Committee in accordance with rule 63.1 to allow withdrawal of a protest or request for redress

18. SCORING

- 18.1. Series will be scored as provided in Appendix A of Racing Rules of Sailing
- 18.2. RRS A2 is modified as follows: For keelboat weeknight Interclub racing and the Frostbite series, if 7 or more races are sailed, 2 drops; if 5/6 sailed, 1 drop; less than five, all races scored. For the Interclub Long Distance Series, see Part H; for other events and series see Annex B1 and B2 of these Sailing Instructions. For BYC or NSC club series scoring, ineligible boats are removed from the cumulative series Interclub results.
- 18.3. RRS A5.3 shall apply
- 18.4. Boats that receive a DSQ or DNE will be scored points equivalent to a DNC. This modifies RRS A5.3.
- 18.5. The Scoring Abbreviations in RRS A10 are modified to include NR - Not Registered. (See Part A 2.3 of these SIs) and RCN – Race Committee no-show (See Part 18.10 of these SIs), and LSP – Late Scoring Penalty (see Part H, 6.5)
- 18.6. Women’s Fleet – see Part B – Monday Evening.
- 18.7. Catamaran, Dinghy and Sailboard Fleets - see Part D - Wednesday Evening.
- 18.8. If an insufficient number of RC volunteers show up to run a race, the bosuns will postpone racing for the NSC-hosted course until there are sufficient volunteers to run a race.

- 18.9. A NSC boat that misses a night of racing due to NSC skipper and/or crew volunteering at the last minute for NSC RC duty shall receive points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series except the race in question
- 18.10. When a NSC skipper or crew does not show up for an NSC RC duty for which they have signed up, then the finish position for their boat, in the next race in which the boat races, shall be increased by 3 points for each crew member that did not show up for RC duty. Similarly, if a NSC skipper or crew cancels their RC duty with less than 24 hours notice, then the finish position for their boat shall be increased by 2 points for each crew member that cancels on short notice. If the boat does not race within three weeks of the RC duty which was missed, or prior to the end of the current series, whichever comes first, then the points noted above shall be added to their finish in the last race in which they raced prior to the night on which they were a no-show for RC duty. For dinghies and catamarans, the above penalties shall apply to all races sailed on the night in question. Boats so scored shall appear in the results as "RCN" (for RC No-show) with the appropriate number of points.
- 18.11. A NSC boat that has not yet fulfilled its RC duty may, at the discretion of the RC Volunteer Coordinator and in accordance with the RC Volunteer Procedures, be scored as NR (not registered) until such time as they have met their RC Duty obligations. This score may be applied to an NSC boat at the beginning of a season, if they failed to meet their RC Duty obligations in the preceding year.

19. PRIZES

- 19.1. If three or fewer boats compete for an event (series or race), both the trophy (where one exists) and a first place keeper will be awarded. If there are four or five competitors, a second place keeper will be awarded, and if six or more boats compete, a third place keeper will also be awarded. For a series, the number of keepers awarded will be determined by rounding the average number of starters to the nearest whole number. Thus, if the average number of starters in a series is 3.5 - first and second place keepers will be awarded.
- 19.2. Trophies and awards for Club series are defined in Annex B1 of these Sailing Instructions, and will be presented at the Club's awards night.
- 19.3. Trophies and awards for Interclub series are defined in Annex B2 of these Sailing Instructions, and will be presented at the Interclub awards night.
- 19.4. Trophies and awards for weekend and special events are defined in Annex A of these Sailing Instructions, and will be presented at the Club's awards night.

19.5. For events where PHRF (FS) and JAM (NFS) boats are scored together (i.e. most up-river events), keeper prizes will be awarded to the first PHRF boat, the first JAM boat, and the next highest finisher, subject to 19.1. E.g., if PHRF boats finish 1, 2 and 3 in the Pinhey's Point Race, and a JAM boat finishes 4th, then keeper prizes will be awarded to the boats finishing 1, 2 and 4, provided 6 or more BYC boats participate.

20. RISK STATEMENT

21. Sailing is an activity that has an inherent risk of damage and injury. Competitors participate in the Interclub racing program entirely at their own risk. See RRS 3, Decision to Race. The organizing authority will not accept any liability for material damage, personal injury or death sustained in conjunction with or prior to, during or after the event. By participating in the event each competitor agrees to release the organizers from any and all liability to the fullest extent permitted by law.

4. THE START

- 4.1. Bravo Course** Starting Order for the first race will be 1st Laser, 2nd Sailboard, 3rd Dinghies.
- Races will be started using RRS 26 modified so that signals follow a three-minute cycle. The warning will be at three minutes, the prep at two minutes, prep down at one minute and the start at zero minutes.
- To reduce delays between races, classes may be started while other classes are still racing.
- All boats that have not started within two (2) minutes of their scheduled start will be scored DNS.

5. TIME LIMIT

- RRS 35 is modified by: "Boats failing to finish within 15 minutes after the first boat in their class will be scored Did Not Finish, except that this time limit shall increase to 30 minutes for the last race of the day."

6. SCORING

- Handicap class races will be scored using the North American Portsmouth Wind Dependent Handicaps (2008 Table of North American Portsmouth Numbers and Wind Dependent Handicaps). The average wind speed for each race is required. In the event that no wind speed is provided, it will be assumed that the wind speed is Force 0.
- For the Laser fleet, RRS A2 is modified so that each boat's score will be the total of her race scores, discarding her worst scores where the number of discarded races shall be one race for each 3 races sailed.
- For all other fleets RRS A2 is modified so that each boat's score will be the total of her race scores, discarding her worst scores where the maximum number of discards will be equal to one quarter (rounded downwards) of the number of races completed.
- Season championship results for Dinghy and Sailboard fleets will be calculated by totaling the net results of the three series.
- Sailboards - On occasion, as dictated by wind conditions, it may be decided (in advance of any individual race) the fleet will sail a shortened course (one lap).
- One-design fleets that average five or more boats over a handicap series will be scored as a one-design fleet in addition to being included in the handicap results. Championship results will be produced for any fleet that qualifies for one-design scoring in all three series.

7. EQUIPMENT (SAILBOARDS)

- 1.2.** In accordance with RRS 86.1(b), RRS 47.2 does not apply to up-river races that include an intended break/interruption (e.g. Quyon Race, Mohr Island Race).

2. ELIGIBILITY

- 2.1.** Unless otherwise specified in Annex A (Weekend and Special Events) boats registered for racing with either BYC or NSC are eligible to race.
- 2.2.** PHRF Keelboat divisions are defined by Part C of these sailing instructions unless otherwise specified in Annex A.

- 2.4.** One-Design 'minimum crew limit' rules are waived for all BYC/NSC recognized One-Design boats in up-river races.

3. SCHEDULE OF EVENTS

- 3.1.** The weekend event schedule is listed in Annex A.

4. COURSES

- 4.1.** Courses are described in Annex A or special instructions will be issued.

5. THE START

- 5.1.** In weekend distance races, all boats will start together unless otherwise indicated in Annex A of these sailing instructions.
- 5.2.** The Race Committee may attempt to hail OCS yachts. Failure of OCS yachts to hear the hail, or the order in which they are hailed, will not be considered grounds for redress under the RRS. OCS yachts that do not return to start correctly can, within seventy-two (72) hours of result posting, request a 20% time penalty in lieu of disqualification. This changes rule 44.3.

6. THE FINISH

- 6.1.** In the case that a Race Committee Boat is on station beside the last mark of the course, the finish line will be between the mark and the mast on the RC boat with the blue flag. Where a RC Boat is on station at the specified location and there is no fixed mark, then the finish line will be between a pole mark with a blue flag and the mast on the RC boat with the blue flag.
- 6.2.** Where the last mark of the course is "S", the finish is between "S" mark and the BYC flagpole, leaving S mark to Starboard. Should a RC boat be on station, the finish is between "S" mark and the mast with the RC flag.

- 6.3. Where the last mark of the course is “P” the finish extends 100m to the SSE of P mark, as described in Part I. Should a RC boat be on station the finish is between “P” mark and the mast with the RC flag.
- 6.4. In the case that a RC boat is not on station, boats will take their own time when they cross the finish line and will report the time by midnight on the day following the race in question.
- 6.5. Boats that submit their finish time after the deadline stated in SI 6.4, but within 72 hours of that deadline, will incur a 2 point penalty. Boats that submit their finish time more than 72 hours after the deadline will be scored DNC, or DNF if their presence on the racecourse was otherwise recorded. Results will show a code of LSP (Late scoring penalty).
- 6.6. Results from all clubs may be submitted by webform or email as specified on the NSC Race Results web page nsc.ca/racing/results/finish-times-ld/ or at BYC - on the recording sheet on the BYC Official noticeboard in the Main Lounge and the BYC Results web page. When taking their own time, boats will record the actual on-the-clock time (hr:min:sec) not elapsed time. Accuracy of the time piece used must be verified against a GPS or other source of accurate time within 2 hours of finishing, and corrections, if any, be applied to the recorded time.
- 6.7. For races that finish up-river, the finishing line is between the Race Committee boat and the mark as specified in Annex A. When the Race Committee boat is not on station, boats will take their own finish time (actual on-the-clock, hr:min:sec). when they cross the line as specified in Annex A.

7. TIME LIMIT

- 7.1. For distance races there is no time limit.

8. SCORING

- 8.1. For the purposes of calculating results for BYC and NSC weekend events, ineligible boats shall be removed from the finishing order, and prizes awarded accordingly.
- 8.2. Boats will be scored as PHRF (FS) or JAM (NFS) based on their declaration to the RC and/or the fleet flag they fly on their backstay, that shall match the fleet declaration made in their finish time submission, if the RC is not on station at the finish. Boats may declare their fleet as PHRF for some races and JAM for others.
- 8.3. For the ILD series scoring is as provided in Appendix A of RRS using the low point system. If 6 or more races sailed, 2 drops; if 5 sailed, 1 drop; less than 5, all races scored.

- 8.4.** For the ILD series, there is a PHRF (FS) fleet and a JAM (NFS) fleet. Boats that declare their fleet as PHRF for some races and JAM for others, shall be considered as two separate entries and will appear in the results for both the fleets. For races in which they declare their fleet as PHRF, they will be scored DNC in the JAM fleet and vice versa.
- 8.5.** A boat that declares their fleet as JAM for a particular race but wishes that race to be counted toward their ILD PHRF Series shall, within the time limit for race results submission specified in Part H, 6.3, advise the scorer of their request following the procedures for race results submission noted in Part H, 6.5. Such a boat shall be rescored using their FS handicap for the purpose of calculating the ILD results.

PART I: TIME TRIALS (GENERIC) SPECIFIC SAILING INSTRUCTIONS

The following procedure for starting and finishing a race in a “time trial” format maybe used when specified elsewhere in these, or other, Sailing Instructions.

1. START WINDOW

- 1.1. A start window shall be defined with a beginning and end time, e.g.-1330-1345. Boats may start any time within the start window.
- 1.2. A boat that starts before the start window is considered OCS and must return to the prestart side of the side lie before starting.
- 1.3. A boat may start after the start window, but the boat’s start time will be considered to be the end of the start window.

2. START LINE

- 2.1. The start line will be between yellow race mark “P” (45.364 degrees – 75.821 degrees) to the north and a point 100m to the SSE of “P” mark in line with the Camp Fortune Tower. The photo shown below was near the port end of the start line. i.e. boats must pass on the south side of “P” mark leaving it to starboard, and will generally want to pass close to “P” mark. Boats shall record their start time at the moment they are aligned with “P” mark and the Camp Fortune Tower, as shown in the photo below.

3. FINISH LINE

- 3.1. Where the last mark of the course is “P” the finish line is the same as the start line, as explained above. Boats shall finish at P mark, leaving it to port. Boats shall record their finish time at the moment they are aligned with P Mark and the Camp Fortune Tower
- 3.2. Where the last mark of the course is “S”, then the finish is between “S” mark and the BYC flagpole as described Part H 6.2
