ATTENTION: BYC participants in the Women's Fleet as well as members interested in learning more about Monday night racing. The meeting will be held at BYC on the Upper Deck on **Monday, May 6th at 7:00 pm** and is open to all new and potential members.

Agenda:

- 1) Issues related to the Women's Fleet and Crew Bank
- 2) 2019 Sailing Instructions for Women's Racing
- 3) Initiatives for the 2020 season
- 4) Discussion of presentations, workshops and speakers for Women in Wind 2020 conference

Last year, some new racers found opportunities to crew via networking at this early season meeting. Please spread the word, to your crew and potential crew of BYC, to attend.
