CLUB & AFFILIATIONS

Get in the social swing with tennis at BYC. Looking for a fun way to fitness this summer? For people who love to be active outdoors, tennis is on the upswing at BYC.

Incorporated in 1887, BYC is one of the oldest yacht clubs in Canada. You don't

have to own a boat to enjoy the summer at BYC. The tennis program is part of a full season of events that keep members active and in shape. Healthy, invigorating and social. That's the lure of tennis that many enthusiasts find 'addictive'.

Tennis is a big part of our leisure program, catering to all ages and skill levels. It's also a great way to get some exercise and make new friends. We are like a big family at BYC and there is always something to do. The social activities of our tennis players are renowned for their fun and enthusiasm. Come for the friendly competition and stay for great food and amazing sunsets overlooking the Ottawa River.

With four plexi-pave courts available for day and night play, tennis members enjoy full privileges of one of Ottawa's oldest and most revered clubs. You don't need prior experience to take part in the game. Group lessons are free to members.

The club is also affiliated with the **National Capital Tennis Association** and the **Ontario Tennis Association** and participates in inter-club tournament play.
