PART A: GENERAL SAILING INSTRUCTIONS

Britannia Yacht Club (BYC) and Nepean Sailing Club (NSC) Ottawa, Ontario 2018 Racing Program

Preamble: These Sailing Instructions apply to the Interclub racing program jointly hosted by BYC and NSC.

1. RULES

1.1 Races will be governed by *The Racing Rules of Sailing 2017-2020* (RRS), amended by RRS Appendix B for sailboards, the prescriptions of Sail Canada, One-Design class rules, PHRF-LO ratings and these Sailing Instructions.

2. ELIGIBILITY

2.1 Boats from all clubs on Lac Deschênes are eligible to race when registered for racing with either BYC or NSC if the boat is a) owned and b) sailed by a full member of a Sail Canada recognized club.

3. CLASSES

3.1 Fleet racing in Monday through Thursday weekday and Sunday Frostbite series will be offered for the following classes: One-Design Keelboats, PHRF Keelboats, Women's Fleet, JAM (Jib and Main) Keelboats, One-Design Dinghies, Handicap Dinghies, Catamarans and Sailboards. Terminology as used in this document – a “**PHRF boat**” is racing with a Flying Sails (FS) PHRF-LO rating and a “**JAM boat**” is racing with a Non-Flying Sails (NFS) PHRF-LO rating.

4. REGISTRATION

4.1 All boats must register for racing by completing and signing an entry form at BYC or NSC. Clubs will provide lists of registered boats and, where applicable, PHRF Certificates to the other club as soon as available. **Non-registered boats will be shown as NR in the results and will not be scored until a Registration Form is submitted and processed.**

4.2 PHRF Keelboat Divisions (BYC Classes) and JAM Keelboats are required to hold a valid and current PHRF-LO Certificate. **Boats not holding a valid and current Certificate will be shown as NR in the results and will not be scored until a valid and current PHRF-LO Certificate is submitted.**

4.3 SIs 4.1 and 4.2 do not apply to events designated as “FUN” events – see Annex A.

4.4 All boats should have sail numbers that conform to RRS Appendix G and/or Class rules. The Race Committee may score a boat whose sail numbers do not conform, DNC. A boat may be temporarily exempted from 4.4 if they inform the Race Committee of their correct sail number prior to the warning signal.

4.5 All PHRF and JAM Divisions must fly class backstay pennants.

5. NOTICES TO COMPETITORS

5.1 Notices to Competitors will be posted on the official noticeboard located in the BYC clubhouse and on the BYC and NSC websites.

6. CHANGES IN SAILING INSTRUCTIONS

6.1 Any changes to the Sailing Instructions or schedule of races will be posted 24 hours before they will take effect.

7. SIGNALS ASHORE

7.1 Signals ashore will be signalled from the BYC and NSC Flag staffs. Such signals will apply to the races hosted by that club.

7.2 When Flag “AP” is displayed ashore the warning signal will be made not less than 30 minutes after removal.

8. SCHEDULE OF RACES

8.1 Racing will be offered as specified in the Series Calendar and Sailing Calendar - Weekend & Special Events.

9. WARNING SIGNAL

9.1 The warning signal for the first start on weekday evenings will be at 1815, except as noted below. Effective September 01, the warning signal will be at 1800. On the Thursday night one-design course, the first warning signal is 5 minutes earlier.

10. RACING AFTER SUNSET

11. THE COURSES

11.1 Catamaran, Dinghy and Sailboard Fleets - see Part D - Wednesday Evening.

11.2 **Mondays, Tuesdays, Thursdays and Sunday Frostbite** - Courses laid with drop marks will be indicated by displaying Code Flags "T", "W" or "J", or with an optional "E" (referred to as WE, TE and JE) on the Race Committee Boat. Marks are left to port in the order indicated below, except that for course "W" or "WE" boats shall sail through the gate between Drop Mark 'S' and Drop Mark 'P' from the direction of the last mark and round either Drop Mark 'S' to starboard or Drop Mark 'P' to port, as shown in the diagrams.

11.3 Courses using fixed marks or a combination of fixed and drop marks, will be designated on the Race Committee Boat by displaying placards, read from left to right, indicating the order in which marks are to be rounded or passed. Marks will be designated by their names, for example "A", as shown in the BYC/NSC chart of the racing area, or by 'D/M' if an inflatable drop mark, or 'F/M' if the drop mark is a pole mark with a flag. Placards will be coloured red if the mark is to be left to port or green if the mark is to be left to starboard. Start and finish marks on courses with fixed marks will be the first and last marks shown on the course board.

12. MARKS

12.1 Start marks on all courses will be pole marks with red flags. Normal finish marks will be pole marks with red flags.

12.2 Drop marks will be orange, yellow or green inflatables.

12.3 Fixed marks, as shown on the BYC/NSC chart of the racing area, are generally yellow spar buoys.

12.4 New marks as provided in SI 16 will be inflatables distinguishable from other drop marks on the course.

13. REPORTING TO RACE COMMITTEE

13.1 PHRF and JAM boats shall display their proper class flag at the start.

13.2 Boats using main sails bearing numbers different from those registered on the entry form, must notify the Race Committee of their registered sail number prior to the first warning signal. **Boats failing to do so shall not be scored.**

14. THE START

14.1 Races will be started using RRS 26 and 27.

14.2 The starting line will be between the course-side extremity of the mast of the Race Committee Boat carrying the Race Committee flag at the starboard end and the course-side extremity of the mark at the port end of the line. A spacer mark may be placed on or near the starting line in the vicinity of the RC Boat, and is deemed to be an extension of the RC Boat. If a spacer mark is used, yachts shall NOT pass between it and the RC Boat.

14.3 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races.

14.4 All yachts that have not started within four (4) minutes of their start will be scored DNS.

14.5 Catamaran, Dinghy and Sailboard Fleets – see Part D, Wednesday Evening.

14.6 If, at the start, any part of a boat's hull, crew or equipment is on the course side of the starting line and she is identified, the Race Committee will attempt to broadcast her sail number via VHF. Failure to make a broadcast or to time it accurately will not be grounds for a request for redress. This changes rule 62.1(a). The VHF channels used for hailing shall be as follows: BYC events: VHF channel 06. NSC events: VHF channel 72.

15. RECALLS

15.1 **General** recalls – RRS 29.2 is changed to delete the last sentence and replace it with “The next warning signal shall be made one minute after the First Substitute is removed (one sound). The start order shall be determined by the Class Flag displayed.”

16. CHANGE OF THE NEXT LEG OF THE COURSE

16.1 If the windward leg is changed the Race Committee may replace the mark and offset with a single mark to be rounded to Port.

16.2 For a “W” Course, if the leeward leg is changed the Race Committee may replace the gate with a single mark to be rounded to Port.

17. SHORTENED COURSE

17.1 A shortened course shall be signalled as per RRS 32.2.

17.2 If a shortened course does not apply to all fleets, the class flag(s) for the affected fleet(s) shall be flown beneath Code Flag “S”. Different fleets may be finished at different marks, in which case there will be more than one committee boat used to finish fleets.

18. THE FINISH

18.1 Catamaran, Dinghy and Sailboard Fleets - see Part D - Wednesday Evening.

18.2 The normal finish line for “W” and “T” courses will be between the mast of the Race Committee Boat carrying the Race Committee flag at one end, and a pole mark with a red flag.

18.3 For courses using fixed marks, the finish line will be between the mast of the Race Committee Boat carrying the Race Committee flag at one end and the last mark of the course at the other end of the line. The finish line is to be crossed in the direction of travel from the previous mark.

19. DINGHY PENALTY SYSTEM

19.1 For the catamaran fleet RRS 44.1 is modified by replacing “Two-Turns Penalty” by “One-Turn Penalty”.

20. PROTESTS AND REQUESTS FOR REDRESS

20.1 For the purpose of ruling on protests or requests for redress, the Interclub Sailing Instructions of BYC or NSC shall be used, with inconsistencies resolved by reference to the Sailing Instructions of the club whose Race Committee started the event. A racer that believes that a simple mistake has been made in the scoring of a race may file a Scoring Inquiry as outlined at byc.ca/images/Racing/Rules_and_forms/2017/scoring_inquiry.doc. Scoring Inquiries are not used to request redress. Submission of a Scoring Inquiry does not preclude a subsequent Request for Redress.

20.2 Protests and Requests for Redress shall be written on a Protest and Request for Redress Form. This form may be completed either electronically or by hand, and shall be submitted by e-mail to protests@byc.ca, for BYC or protests@nsc.ca, for NSC. See byc.ca/sail/rules-protests-forms or www.nsc.ca/racing/protests for forms and more information.

20.3 Protests are due by midnight on the day following the race in question.

20.4 For Requests for Redress and scoring inquiries that arise from the posted results, the deadline will be 3 days after the results are posted to the web. Scoring inquiries that cannot be independently verified by the Race Committee will be referred to the Protest Committee as a Request for Redress.

20.5 - The Protest Coordinator may act on behalf of the protest committee in accordance with rule 63.1 to allow withdrawal of a protest.

20.6 - Though there is no formal arbitration, boats may take a post-race penalty as provided in Appendix T, with the following modifications:

- a) The Post-Race Penalty is a 20% Scoring Penalty calculated as stated in rule 44.3(c), if taken prior to the end of the protest time limit.
- b) The Post-Race Penalty is a 30% Scoring Penalty calculated as stated in rule 44.3(c), if taken after the protest time limit expires.
- c) If a boat is protested, the Post-Race Penalty shall be taken no later than 24 hours after the boat's owner/skipper is provided with a copy of the protest form.
- d) A boat takes a Post-Race Penalty by e-mailing the Protest Coordinator(s) (protests@nsc.ca or protests@byc.ca) a statement that she accepts the penalty and that identifies the race number and where and when the incident occurred.

21. SCORING

21.1 Series will be scored as provided in Appendix A of Racing Rules of Sailing using the low point system. RRS A4.1 table is modified to read 0.75 points for first place in Low Point System.

21.2 RRS A2 is modified as follows: For keelboat weeknight Interclub racing and the Frostbite series if 7 or more races are sailed, 2 drops; if 5 or 6 sailed, 1 drop; less than 5 races sailed, all races are scored. For other events and series see Annex B1 and B2 of these Sailing Instructions. For BYC or NSC club series scoring, ineligible boats are removed from the cumulative series Interclub results.

21.3 A boat that is registered for a series but has not raced in that series shall not be included when determining the points awarded to other boats that have sailed in the series. This modifies RRS A9.

21.4 Boats that receive a DSQ or DNE will be scored points equivalent to a DNC. This modifies RRS A9.

21.5 The Scoring Abbreviations in RRS A11 are modified to include NR - Not Registered. (See Part A 4.1 of these SIs) and RCN – Race Committee no-show (See Part 21.10 of these SIs).

21.6 Women's Fleet – see Part B – Monday Evening.

21.7 Catamaran, Dinghy and Sailboard Fleets - see Part D - Wednesday Evening.

21.8 If an insufficient number of NSC RC volunteers show up to run a race, the bosuns may "press-gang" the skipper and/or crew of any NSC boat that is intending to race that evening, but that has not yet signed up for the required number of RC duty slots. I.e., the skipper and/or crew of such a boat will be asked to perform RC duty that evening, instead of racing. If the skipper or crew refuses, their boat will be scored DNE in that evening's races. This amends RRS 63.1 and A5, in accordance with RRS 86.1(b).

21.9 An NSC boat that misses a night of racing due to NSC skipper and/or crew being press-ganged to perform NSC RC Duty shall receive points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series except the race in question. This same scoring adjustment shall be applied to a boat whose crew volunteers at the last minute, even if they were not subject to being press-ganged.

21.10 When an NSC skipper or crew does not show up for an NSC RC duty for which they have signed up, then the finish position for their boat, in the next race in which the boat races, shall be increased by 3 points for each crew member that did not show up for RC duty. Similarly, if an NSC skipper or crew cancels their RC Duty with less than 24 hours notice, then the finish position for their boat shall be increased by 2 points for each crew member that cancels on short notice. If the boat does not race within three weeks of the RC duty which was missed, or prior to the end of the current series, whichever comes first, then the points noted above shall be added to their finish in the last race in which they raced, prior to the night on which they were a no-show for RC duty. Boats so scored shall appear in the results as "RCN" (for RC No-show), with the appropriate number of points.

21.11 An NSC boat that has not yet fulfilled its RC duty may, at the discretion of the RC Volunteer Coordinator and in accordance with the RC Volunteer Procedures, be scored as NR (not registered) until such time as they have met their RC Duty obligations. This score may be applied to an NSC boat at the beginning of a season, if they failed to meet their RC Duty obligations in the preceding year.

21.12 If the Race Committee or Scorer believe that a boat did not sail the complete course in accordance with RRS 28 (e.g. a boat does one lap less than required), that boat may be scored DNF. This amends RRS 63.1 and A5, in accordance with RRS 86.1(b).

22. DISCLAIMER OF LIABILITY

22.1 Competitors participate in the racing program at their own risk. See rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the racing.

**PART B: MONDAY EVENING
WOMEN'S FLEET
SPECIFIC SAILING INSTRUCTIONS**

1 ELIGIBILITY

1.1 Boats will be skippered and crewed by women.

1.2 Boats may register to race in any fleet with either a FS (Flying Sail) handicap if using a spinnaker, or a NFS (Non-Flying Sail) handicap if sailing "JAM". Boats registered with their NFS handicap may not fly a spinnaker in any race. Boats may switch from their NFS to FS handicap, or vice versa, by sending a message to scoring@nsc.ca at least one week prior to the start of the series. If a boat uses a spinnaker in any race of a series for which they are registered with a NFS handicap, their handicap will be changed to the FS handicap for the whole of that series.

1.3 Fleet 1 – Non-Coached: no more than one man may be on board. When racing the man shall not give any advice or assistance, physical or verbal, to the crew or skipper.

1.4 Fleet 1, while starting together, is composed of two Sub-Fleets 1A & 1B, as defined below. Each Sub-Fleet will be scored separately.

- Sub-Fleet 1A – Non-Coached with a PHRF handicap of 200 or less.
- Sub-Fleet 1B – Non-Coached with a PHRF handicap 201 or more.

The split of Fleet 1 into 1A and 1B is being introduced on a trial basis for 2018. This split will be reviewed prior to the 2019 season, and may be continued, depending on fleet participation.

1.5 Fleet 2 – Coached: No more than one man may be on board. When racing, the man may give only verbal advice or coaching to the skipper and crew.

2 CLASSES

Classes	Class Signal	Backstay Pennant	Start Order
Non-Coached 1A	Pennant 1	Orange	1
Non-Coached 1B	Pennant 2	Blue	1
Coached	Pennant 3	Green	2

NSC hosts the Monday Evening Women's racing.

3 TIME LIMIT

3.1 *RRS 35* is modified by: "Boats failing to finish within 45 minutes after the first boat in their fleet will be scored Did Not Finish."

4 SCORING

4.1 For the purposes of calculating club results for BYC and NSC club keelboat series, ineligible boats shall be removed from the cumulative series results and prizes awarded accordingly.

3.2 Drop marks will be yellow, green or orange inflatables.

4 THE START

4.1 **Bravo Course** Starting Order for the first race will be 1st Sailboard, 2nd Laser, 3rd Dinghies.

4.2 Races will be started using RRS 26 modified so that signals follow a three-minute cycle. The warning will be at three minutes, the prep at two minutes, prep down at one minute and the start at zero minutes.

4.3 To reduce delays between races, classes may be started while other classes are still racing.

4.4 All boats that have not started within two (2) minutes of their scheduled start will be scored DNS.

5. FINISH LINE

5.1 The finish line will be between the course-side extremity of the mast of the Race Committee Boat carrying the Race Committee flag at one end and a pole mark with a red flag. The finish line shall be crossed in the direction of travel from the previous mark of the course.

5.2 The Race Committee may award a finish place to the last boat in a one-design class without it having finished, after all other boats in that class have finished or retired.

5.3 Flag “H”, when flown by the Race Committee while on station at the finish line, means that no further races will be started.

6. TIME LIMIT

6.1 RRS 35 is modified by: "Boats failing to finish within 15 minutes after the first boat in their class will be scored Did Not Finish, except that this time limit shall increase to 30 minutes for the last race of the day."

7 SCORING

7.1 **Handicap class** races will be scored using the North American Portsmouth Wind Dependent Handicaps (2008 Table of North American Portsmouth Numbers and Wind Dependent Handicaps). The average wind speed for each race is required. In the event that no wind speed is provided, it will be assumed that the wind speed is Force 0.

7.2 For the Laser fleet, RRS A2 is modified so that each boat's score will be the total of her race scores, discarding her worst scores where the number of discarded races shall be one race for each 3 races sailed.

7.3 For all other fleets RRS A2 is modified so that each boat's score will be the total of her race scores, discarding her worst scores where the maximum number of discards will be equal to one quarter (rounded downwards) of the number of races completed.

7.4 Season championship results for Dinghy and Sailboard fleets will be calculated by totalling the net results of the three series.

7.5 **Sailboards** - On occasion, as dictated by wind conditions, it may be decided (in advance of any individual race) that one fleet or the other will sail a shortened course (one lap). In such a situation (when Raceboards and Formula boards race together), the scoring shall be as follows: any board finishing two laps will be scored ahead of a board finishing only one lap. For example, if raceboards finish two laps and Formula finish one lap - raceboards are to be scored first and Formula follow in the order of finishing.

Example: Raceboards = A, B, C Formula = D, E.

Actual order of finish = D (one lap), B, A, C, E (one lap)

Scoring will be = B, A, C, D, E

If raceboards and Formula finish two laps – scored in the order of finishing.

7.6 One-design fleets that average five or more boats over a handicap series will be scored as a one-design fleet in addition to being included in the handicap results. Championship results will be produced for any fleet that qualifies for one-design scoring in all three series.

8 EQUIPMENT (**SAILBOARDS**)

8.1 Any board/sail combination is permitted. Where Class rules exist (Raceboard, IMCO, RS:X, Kona, Formula), racers are expected to conform to those rules.

**PART G: ICE BREAKER SERIES
PHRF & JAM FLEETS
SPECIFIC SAILING INSTRUCTIONS**

BACKGROUND

The Ice Breaker Series replaces the keelboat practice racing that was conducted prior to 2014, at the beginning of the season, before the start of the Spring Series. Since the Interclub racing program cannot begin until the gates are out at BYC, NSC will host the Ice Breaker Series that will run from the week after launch until the scheduled start of the Spring Series or the BYC gates come out, whichever comes later.

The Ice Breaker Series will be scored like any other Interclub series, and is open to all boats registered for PHRF, JAM and One-Design Interclub racing. The Ice Breaker Series may be as short as one race, but will continue until the BYC gates are removed*. NSC will present keepers for the top three boats, though no Interclub Awards will be presented for this series. Note: The Ice Breaker Series will actually consist of 3 separate fleets/series: Tuesday night PHRF (all boats start together). Thursday night JAM (all JAM boats start together) and Thursday night PHRF (all PHRF boats start together).

* The Spring Series will start according to this schedule, <https://nsc.ca/web2/byc-nsc/racing-starts/>, depending on when the BYC gates are removed.

1 CLASSES

1.1 There will be one PHRF class on Tuesday evenings, on Thursday evenings there will be one PHRF class and one JAM class.

Class	Handicap sec/mi	Class Signal	Backstay Pennant	Start Order
Tuesdays:				
PHRF	All	Pennant 1	Orange / Green / Blue	1
Thursdays:				
PHRF	All	Pennant 2	Orange / Green / Blue	1
JAM	All	Pennant 3	Black / Yellow / White	2

NSC hosts the Ice Breaker Series.

1.2 Each keelboat shall display on her backstay the appropriate class pennants as indicated in above table.

2 TIME LIMIT

2.1 RRS 35 is modified by: “Boats failing to finish within 45 minutes after the first boat in their Division will be scored Did Not Finish”.

3 SCORING

3.1 The Tuesday evening PHRF series will be scored as a separate series from the Thursday evening PHRF series.

4 PRIZES

4.1 Prizes for the top 3 boats in each start will be awarded.

PART H: WEEKEND EVENT SPECIFIC SAILING INSTRUCTIONS

1 RULES

1.1 Up-River races will be scored on the Time-on-Time format.

2 ELIGIBILITY

2.1 Unless otherwise specified in Annex A (Weekend and Special Events) boats registered for racing with either BYC or NSC are eligible to race.

2.2 PHRF Keelboat divisions are defined by Part C of these sailing instructions unless otherwise specified in Annex A.

2.3 JAM Keelboat divisions are defined by Part E of these sailing instructions unless otherwise specified in Annex A.

2.4 One-Design 'minimum crew limit' rules are waived for all BYC/NSC recognized One-Design boats in up-river races.

2.5 In up-river racing, boats competing for PHRF trophies must declare their class by flying the appropriate backstay pennant. Where One-Design trophies exist, One-Design boats must declare at Start line for which trophy they are competing. Boats competing for One-Design trophies are ineligible for PHRF trophies.

3 SCHEDULE OF EVENTS

3.1 The weekend event schedule is listed in Annex A.

4 COURSES

4.1 Courses are described in Annex A or special instructions will be issued.

5 THE START

5.1 In distance races, all boats will start together unless otherwise indicated in Annex A of these sailing instructions.

5.2 The Race Committee may attempt to hail OCS yachts. Failure of OCS yachts to hear the hail, or the order in which they are hailed, will not be considered grounds for redress under the RRS. OCS yachts that do not return to start correctly can, within seventy-two (72) hours of result posting, request a 20% time penalty in lieu of disqualification. This changes rule 44.3.

6 THE FINISH

6.1 In the case that a Race Committee Boat is on station beside the last mark of the course, the finish line will be between the mark and the mast with the RC flag. Where a RC Boat is on station at the specified location and there is no fixed mark, then the finish line will be between a pole mark with a red flag and the mast with the RC flag.

6.2 Where the last mark of the course is "S", then the finish is between "S" mark and the BYC flagpole. Should a RC boat be on station, the finish is between "S" mark and the mast with the RC flag.

6.3 In the case that an RC boat is not on station, boats will take their own time when they cross the finish line and will report the time by midnight on the day following the race in question.

6.4 Results from all clubs may be submitted by email as specified on the NSC Race Results web page (nsc.ca/racing/results/) or the BYC Results web page (byc.ca/sail/rules-protests-forms/13-sailing/128-finish-times-long-distance-races). When taking their own time, boats will record the actual on-the-clock time (hr.min.sec.) not elapsed time. Accuracy of the time piece used must be verified against a GPS or other source of accurate time within 2 hours of finishing, and corrections, if any, be applied to the recorded time.

6.5 For races that finish up-river, the finishing line is between the Race Committee boat and the mark as specified in Annex A. When the Race Committee boat is not on station, boats will take their own finish time (actual on-the-clock, hr.min.sec.) when they cross the line as specified in Annex A.

7 TIME LIMIT

7.1 For distance races there is no time limit.

8 SCORING

8.1 For the purposes of calculating results for BYC and NSC weekend events, ineligible boats shall be removed from the finishing order, and prizes awarded accordingly.

8.2 For the ILD series scoring is as provided in Appendix A of RRS using the low point system. RRS A4.1 table is modified to read 0.75 points for first place in Low Point System. If 6 or more races sailed, 2 drops; if 5 sailed, 1 drop; less than 5, all races scored.

9 PRIZES

9.1 Prizes will be presented at the completion of the event for open events.

9.2 Prizes for BYC and NSC weekend events are defined in Annex A and will be presented at the Clubs' awards nights.

9.3 Trophies are reserved for the host club, unless otherwise specified in Annex A.

9.4 For events labeled as interclub the host club will provide keepers for winners from other clubs. Excluded from this are the two joint start races, Stony Point and Mohr Island.

9.5 Prizes for the Interclub Series are defined in Annex B2 of these Sailing Instructions, and will be presented at the Interclub Awards Night.

The following trophies and awards are presented for evening and series events in addition to the trophies listed in Annex A - Special Events.

General Awards Policy

Even if only one yacht competes for a trophy, both the trophy and a 1st place keeper will be awarded. If there are four to five competitors there will be a 2nd place keeper, and if six or more yachts compete a 3rd place keeper.

In series racing the number of keepers awarded will be determined by rounding the average number of starters to the nearest whole number. Thus, if the average number of starters in a series is 3.5 - first and second place keepers will be awarded.
