## PART A: GENERAL SAILING INSTRUCTIONS

### Britannia Yacht Club (BYC) and Nepean Sailing Club (NSC) Ottawa, Ontario 2019 Racing Program

*Preamble: These Sailing Instructions apply to the Interclub racing program jointly hosted by BYC and NSC.*

#### 1. RULES

- 1.1 Races will be governed by *The Racing Rules of Sailing 2017-2020* (RRS), amended by RRS Appendix B for sailboards, the prescriptions of Sail Canada, One-Design class rules, PHRF-LO ratings and these Sailing Instructions.

#### 2. ELIGIBILITY

- 2.1 Boats from all clubs on Lac Deschênes are eligible to race when registered for racing with either BYC or NSC if the boat is a) owned and b) sailed by a full member of a Sail Canada recognized club.

#### 3. CLASSES

- 3.1 Fleet racing in Monday through Thursday weekday and Sunday Frostbite series will be offered for the following classes: One-Design Keelboats, PHRF Keelboats, Women's Fleet, JAM (Jib and Main) Keelboats, One-Design Dinghies, Handicap Dinghies, Catamarans and Sailboards. Terminology as used in this document – a “**PHRF boat**” is racing with a Flying Sails (FS) PHRF-LO rating and a “**JAM boat**” (**Jib and Main only, i.e. no spinnaker**) is racing with a Non-Flying Sails (NFS) PHRF-LO rating.

#### 4. REGISTRATION

- 4.1 All boats must register for racing by completing and signing an entry form at BYC or NSC. Clubs will provide lists of registered boats and, where applicable, PHRF Certificates to the other club as soon as available. **Non-registered boats will be shown as NR in the results and will not be scored until a Registration Form is submitted and processed.**
- 4.2 PHRF Keelboat Divisions (BYC Classes) and JAM Keelboats are required to hold a valid and current PHRF-LO Certificate. **Boats not holding a valid and current Certificate will be shown as NR in the results and will not be scored until a valid and current PHRF-LO Certificate is submitted.**
- 4.3 SIs 4.1 and 4.2 do not apply to events designated as “FUN” events – see Annex A.
- 4.4 All boats should have sail numbers that conform to RRS Appendix G and/or Class rules. The Race Committee may score a boat whose sail numbers do not conform, DNC. A boat may be temporarily exempted from 4.4 if they inform the Race Committee of their correct sail number prior to the warning signal.

#### 5. NOTICES TO COMPETITORS

- 5.1 Notices to Competitors will be posted on the official noticeboard located in the BYC clubhouse and on the BYC and NSC websites.

## **6. CHANGES IN SAILING INSTRUCTIONS**

- 6.1 Any changes to the Sailing Instructions or schedule of races will be posted 24 hours before they will take effect.

## **7. SIGNALS ASHORE**

- 7.1 Signals ashore will be signalled from the BYC and NSC Flag staffs. Such signals will apply to the races hosted by that club.
- 7.2 When Flag "AP" is displayed ashore the warning signal will be made not less than 30 minutes after removal.

## **8. SCHEDULE OF RACES**

- 8.1 Racing will be offered as specified in the Series Calendar and Sailing Calendar - Weekend & Special Events.

## **9. WARNING SIGNAL**

- 9.1 The warning signal for the first start on weekday evenings will be at 1815, except as noted below. Effective September 01, the warning signal will be at 1800. On the Thursday night one-design course, the first warning signal is 5 minutes earlier.

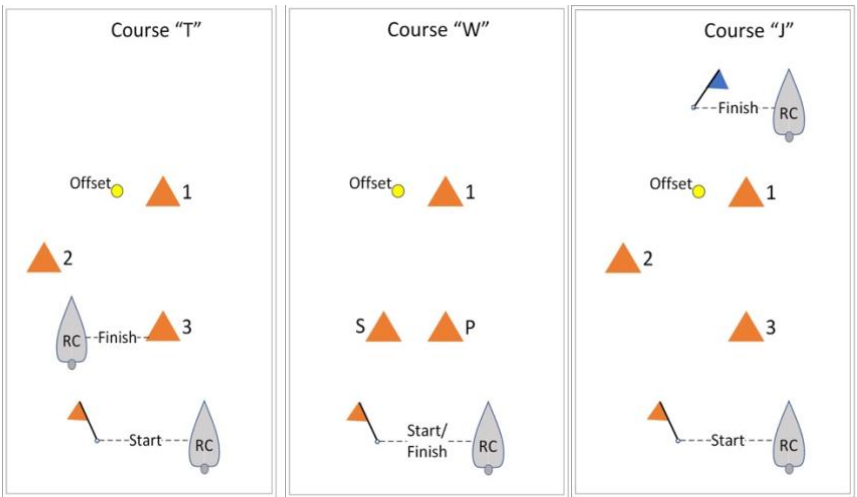

## **10. RACING AFTER SUNSET**

Marks are left to port in the order indicated below, except that for course "W" or "WE" boats shall sail through the gate between Drop Mark 'S' and Drop Mark 'P' from the direction of the last mark and round either Drop Mark 'S' to starboard or Drop Mark 'P' to port, as shown in the diagrams.
- 11.3 Courses using fixed marks or a combination of fixed and drop marks, will be designated on the Race Committee Boat by displaying placards, read from left to right, indicating the order in which marks are to be rounded or passed. Marks will be designated by their names, for example "A", as shown in the BYC/NSC chart of the racing area, or by 'D/M' if an inflatable drop mark, or 'F/M' if the drop mark is a pole mark with a flag. Placards will be coloured red if the mark is to be left to port or green if the mark is to be left to starboard. Start and finish marks on courses with fixed marks will be the first and last marks shown on the course board.

**“T” COURSE:**

## **12. MARKS**

- 12.1 Start marks on all courses will be pole marks with orange flags. Normal finish marks will be pole marks with orange flags.
- 12.2 Drop marks will be orange, yellow or green inflatables.
- 12.3 Fixed marks, as shown on the BYC/NSC chart of the racing area, are generally yellow spar buoys.
- 12.4 New marks as provided in SI 16 will be inflatables distinguishable from other drop marks on the course.

## **13. REPORTING TO RACE COMMITTEE**

- 13.1 PHRF and JAM boats shall display on their backstay the appropriate class pennant.
- 13.2 Boats using main sails bearing numbers different from those registered on the entry form, must notify the Race Committee of their registered sail number prior to the first warning signal. **Boats failing to do so shall not be scored.**

## **14. THE START**

- 14.1 Races will be started using RRS 26 and 27.
- 14.2 The starting line will be between the course-side extremity of the mast of the Race Committee Boat carrying the Race Committee flag at the starboard end and the course-side extremity of the mark at the port end of the line. A spacer mark may be placed on or near the starting line in the vicinity of the RC Boat, and is deemed to be an extension of the RC Boat. If a spacer mark is used, yachts shall NOT pass between it and the RC Boat.
- 14.3 Boats whose warning signal has not been made shall avoid the starting area during the starting sequence for other races.
- 14.4 All yachts that have not started within four (4) minutes of their start will be scored DNS.
- 14.5 Catamaran, Dinghy and Sailboard Fleets – see Part D, Wednesday Evening.
- 14.6 If, at the start, any part of a boat's hull, crew or equipment is on the course side of the starting line and she is identified, the Race Committee will attempt to broadcast her sail number via VHF. Failure to make a broadcast or to time it accurately will not be grounds for a request for redress. This changes rule 62.1(a). The VHF channels used for hailing shall be as follows: BYC events: VHF channel 06. NSC events: VHF channel 72.

## **15. RECALLS**

- 15.1 **General recalls** – RRS 29.2 is changed to delete the last sentence and replace it with “The next warning signal shall be made one minute after the First Substitute is removed (one sound). The start order shall be determined by the Class Flag displayed.”

## **16. CHANGE OF THE NEXT LEG OF THE COURSE**

- 16.1 If the windward leg is changed the Race Committee may replace the mark and offset with a single mark to be rounded to Port.
- 16.2 For a “W” Course, if the leeward leg is changed the Race Committee may replace the gate with a single mark to be rounded to Port.

## **17. SHORTENED COURSE**

- 17.1 A shortened course shall be signalled as per RRS 32.2.
- 17.2 If a shortened course does not apply to all fleets, the class flag(s) for the affected fleet(s) shall be flown beneath Code Flag “S”. Different fleets may be finished at different marks, in which case there will be more than one committee boat used to finish fleets.

## **18. THE FINISH**

- 18.1 Catamaran, Dinghy and Sailboard Fleets - see Part D - Wednesday Evening.
- 18.2 The normal finish line for “W” and “T” courses will be between the mast of the Race Committee Boat carrying the Race Committee flag at one end, and a pole mark with an orange flag.
- 18.3 For courses using fixed marks, the finish line will be between the mast of the Race Committee Boat carrying the Race Committee flag at one end and the last mark of the course at the other end of the line. The finish line is to be crossed in the direction of travel from the previous mark.

## **19. PENALTY SYSTEM**

- 19.1 For the catamaran and C&C 27 one-design fleets RRS 44.1 is modified by replacing “Two-Turns Penalty” by “One-Turn Penalty”.

## **20. PROTESTS AND REQUESTS FOR REDRESS**

- 20.1 For the purpose of ruling on protests or requests for redress, the Interclub Sailing Instructions of BYC or NSC shall be used, with inconsistencies resolved by reference to the Sailing Instructions of the club whose Race Committee started the event. A racer that believes that a simple mistake has been made in the scoring of a race may file a Scoring Inquiry as outlined at [byc.ca/images/Racing/Rules\\_and\\_forms/2017/scoring\\_inquiry.doc](http://byc.ca/images/Racing/Rules_and_forms/2017/scoring_inquiry.doc). Scoring Inquiries are not used to request redress. Submission of a Scoring Inquiry does not preclude a subsequent Request for Redress.
- 20.2 Protests and Requests for Redress shall be written on a Protest and Request for Redress Form. This form may be completed either electronically or by hand, and shall be submitted by e-mail to [protests@byc.ca](mailto:protests@byc.ca), for BYC or [protests@nsc.ca](mailto:protests@nsc.ca), for NSC. See [byc.ca/sail/rules-protests-forms](http://byc.ca/sail/rules-protests-forms) or [www.nsc.ca/racing/protests](http://www.nsc.ca/racing/protests) for forms and more information.
- 20.3 Protests are due by midnight on the day following the race in question.
- 20.4 For Requests for Redress and scoring inquiries that arise from the posted results, the deadline will be 3 days after the results are posted to the web. Scoring inquiries that cannot be independently verified by the Race Committee will be referred to the Protest Committee as a Request for Redress.
- 20.5 The Protest Coordinator may act on behalf of the protest committee in accordance with rule 63.1 to allow withdrawal of a protest.

- 20.6 Though there is no formal arbitration, boats may take a post-race penalty as provided in Appendix T, with the following modifications:
- a) The Post-Race Penalty is a 20% Scoring Penalty calculated as stated in rule 44.3(c), if taken prior to the end of the protest time limit.
  - b) The Post-Race Penalty is a 30% Scoring Penalty calculated as stated in rule 44.3(c), if taken after the protest time limit expires.
  - c) If a boat is protested, the Post-Race Penalty shall be taken no later than 24 hours after the boat's owner/skipper is provided with a copy of the protest form.
  - d) A boat takes a Post-Race Penalty by e-mailing the Protest Coordinator(s) ([protests@nsc.ca](mailto:protests@nsc.ca) or [protests@byc.ca](mailto:protests@byc.ca)) a statement that she accepts the penalty and that identifies the race number and where and when the incident occurred.

## **21. SCORING**

- 21.1 Series will be scored as provided in Appendix A of Racing Rules of Sailing using the low point system.
- 21.2 RRS A2 is modified as follows: For keelboat weeknight Interclub racing and the Frostbite series if 7 or more races are sailed, 2 drops; if 5 or 6 sailed, 1 drop; less than 5 races sailed, all races are scored. For other events and series see Annex B1 and B2 of these Sailing Instructions. For BYC or NSC club series scoring, ineligible boats are removed from the cumulative series Interclub results.
- 21.3 A boat that is registered for a series but has not raced in that series shall not be included when determining the points awarded to other boats that have sailed in the series. This modifies RRS A9.
- 21.4 Boats that receive a DSQ or DNE will be scored points equivalent to a DNC. This modifies RRS A9.
- 21.5 The Scoring Abbreviations in RRS A11 are modified to include NR - Not Registered. (See Part A 4.1 of these SIs) and RCN – Race Committee no-show (See Part 21.10 of these SIs).
- 21.6 Women's Fleet – see Part B – Monday Evening.
- 21.7 Catamaran, Dinghy and Sailboard Fleets - see Part D - Wednesday Evening.
- 21.8 If an insufficient number of NSC RC volunteers show up to run a race, the bosuns may "press-gang" the skipper and/or crew of any NSC boat that is intending to race that evening, but that has not yet signed up for the required number of RC duty slots. I.e., the skipper and/or crew of such a boat will be asked to perform RC duty that evening, instead of racing. If the skipper or crew refuses, their boat will be scored DNE in that evening's races. This amends RRS 63.1 and A5, in accordance with RRS 86.1(b).
- 21.9 An NSC boat that misses a night of racing due to NSC skipper and/or crew being press-ganged to perform NSC RC Duty shall receive points equal to the average, to the nearest tenth of a point (0.05 to be rounded upward), of her points in all the races in the series except the race in question. This same scoring adjustment shall be applied to a boat whose crew volunteers at the last minute, even if they were not subject to being press-ganged.
- 21.10 When an NSC skipper or crew does not show up for an NSC RC duty for which they have signed up, then the finish position for their boat, in the next race in which the boat races, shall be increased by 3 points for each crew member that did not show up for RC duty. Similarly, if an NSC skipper or crew cancels their RC Duty with less than 24 hours notice, then the finish position for their boat shall be increased by 2 points for each crew member that cancels on short notice. If the

boat does not race within three weeks of the RC duty which was missed, or prior to the end of the current series, whichever comes first, then the points noted above shall be added to their finish in the last race in which they raced, prior to the night on which they were a no-show for RC duty. For dinghies and catamarans, the above penalties shall apply to all sailed on the night in question. Boats so scored shall appear in the results as "RCN" (for RC No-show), with the appropriate number of points.

- 21.11 An NSC boat that has not yet fulfilled its RC duty may, at the discretion of the RC Volunteer Coordinator and in accordance with the RC Volunteer Procedures, be scored as NR (not registered) until such time as they have met their RC Duty obligations. This score may be applied to an NSC boat at the beginning of a season, if they failed to meet their RC Duty obligations in the preceding year.
- 21.12 If the Race Committee or Scorer believe that a boat did not sail the complete course in accordance with RRS 28 (e.g. a boat does one lap less than required), that boat may be scored DNF. This amends RRS 63.1 and A5, in accordance with RRS 86.1(b).

## **22. DISCONTINUED RACES**

- 22.1 In the event that an abandonment is signalled in accordance with RRS 32.1 after one or more boats in a fleet have finished, the race shall be considered discontinued, and not abandoned. Boats which have not yet finished a race when it is discontinued shall be awarded points for the number of finishers plus one. Such boats shall be given a code of OCF (On Course Finish). This modifies RRS 32.1 in accordance with RRS 86.1(b).

## **23. PRIZES**

- 23.1 Even if only one boat competes for an event (series or race), both the trophy (where one exists) and a first place keeper will be awarded. If there are four or five competitors, a second place keeper will be awarded, and if six or more boats compete, a third place keeper will also be awarded. For a series, the number of keepers awarded will be determined by rounding the average number of starters to the nearest whole number. Thus, if the average number of starters in a series is 3.5 - first and second place keepers will be awarded.
- 23.2 Prizes for Club series are defined in Annex B1 of these Sailing Instructions, and will be presented at the Club's awards night.
- 23.3 Prizes for Interclub series are defined in Annex B2 of these Sailing Instructions, and will be presented at the Interclub awards night.
- 23.4 Prizes for weekend and special events are defined in Annex A of these Sailing Instructions, and will be presented at the Club's awards night.

## **24. DISCLAIMER OF LIABILITY**

The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the event. By participating in the event, each competitor agrees to release the organizers from any and all liability to the fullest extent permitted by law.

## 6. TIME LIMIT

- 6.1 RRS 35 is modified by: “Boats failing to finish within 15 minutes after the first boat in their class will be scored Did Not Finish, except that this time limit shall increase to 30 minutes for the last race of the day.”

The average wind speed for each race is required. In the event that no wind speed is provided, it will be assumed that the wind speed is Force 0.
- 7.2 For the Laser fleet, RRS A2 is modified so that each boat’s score will be the total of her race scores, discarding her worst scores where the number of discarded races shall be one race for each 3 races sailed.
- 7.3 For all other fleets RRS A2 is modified so that each boat’s score will be the total of her race scores, discarding her worst scores where the maximum number of discards will be equal to one quarter (rounded downwards) of the number of races completed.
- 7.4 Season championship results for Dinghy and Sailboard fleets will be calculated by totalling the net results of the three series.
- 7.5 **Sailboards** - On occasion, as dictated by wind conditions, it may be decided (in advance of any individual race) that one fleet or the other will sail a shortened course (one lap). In such a situation (when Raceboards and Formula boards race together), the scoring shall be as follows: any board finishing two laps will be scored ahead of a board finishing only one lap. For example, if raceboards finish two laps and Formula finish one lap - raceboards are to be scored first and Formula follow in the order of finishing.  
Example: Raceboards = A, B, C      Formula = D, E.  
Actual order of finish = D (one lap), B, A, C, E (one lap)  
Scoring will be = B, A, C, D, E  
If raceboards and Formula finish two laps – scored in the order of finishing.
- 7.6 One-design fleets that average five or more boats over a handicap series will be scored as a one-design fleet in addition to being included in the handicap results. Championship results will be produced for any fleet that qualifies for one-design scoring in all three series.

## 8. EQUIPMENT (SAILBOARDS)
