# A Note from our Events Manager

Greetings and congratulations on your engagement!

Many Thanks for your interest in BYC for your wedding! We would be honoured to be part of your special day.

We work with each couple to customize and tailor the wedding to suit each unique vision. Therefore, we don't offer standard wedding "packages" as we build one for you based on your needs and what would suit your vision and budget best.

We have our own in-house chef and kitchen team and can provide exceptional catering services for your big day. The menu included in this package can also be customized to suit your taste buds and budget.

Within our rental we include one of our beautiful outdoor spaces for your wedding ceremony located steps from the Ottawa River which offers a picturesque backdrop as you exchange your vows, our breathtaking Upper Deck reception room from 10am-1am which boasts a beautiful veranda overlooking the river, ceiling décor draping and lighting, all linens including chair covers, full-length table clothes, napkins and overlays in a variety of colours, all tables and chairs for ceremony and reception, staff to service your event, cake cutting, coffee and tea service, non-alcoholic punch for cocktail hour, free parking for all of your guests, easel for your seating chart, projector and screen and podium and microphone. We also include a day-of coordinator to ensure you enjoy a stress-free day! I am also always here to help throughout the planning process.

The Upper Deck features a fully-stocked bar and hardwood floors. There will certainly be lots of space for you to dance the night away with your friends and family.

For available wedding dates, please feel free to contact me or visit the [wedding calendar](#) on our website.

I would love to have the opportunity to show you all BYC has to offer during a site tour. I would like to do my very best to work around your schedule and what works best for you, so please let me know when you are available for a tour!

For more pictures, news and information, please visit and like our weddings [Facebook page](#).

I am always here and happy to help, so please do not hesitate to contact me at any time for additional information or if you have any questions!

I look forward to working with you on your special day here at BYC!
