A NOTE FROM OUR EVENTS MANAGER

Congratulations on your engagement! We are truly excited about the possibility of being part of your special day at Britannia Yacht Club (BYC). Our unique location, overlooking the picturesque Ottawa River, coupled with exceptional customer service, sets the stage for a wedding experience like no other.

At BYC, we take pride in creating a personalized and unforgettable experience for each couple. Unlike standard wedding packages, we collaborate closely with you to build a customized plan that aligns seamlessly with your vision and budget. Our in-house chef and kitchen team are dedicated in providing exceptional catering services, allowing us to tailor the menu to your specific preferences.

Included in our facility rental are stunning spaces, including a beautiful outdoor venue for your ceremony steps away from the Ottawa River, and the breathtaking Upper Deck reception room available from 10AM to 1AM. The Upper Deck features a veranda with a stunning river view, ceiling décor draping, and ambient lighting. We provide all necessary amenities, like linens, chair covers, full-length tablecloths, dedicated staff for cake cutting, coffee and tea service, and non-alcoholic punch during the cocktail hour. Additional perks include free parking, WiFi, an easel for your seating chart, projector and screen, podium, microphone, and a day-of coordinator to ensure a stress-free celebration.

Our commitment to customization extends to your wedding planning process. We don't offer a standard wedding "package" but work with each couple to tailor a plan that suits their unique vision and budget. The Upper Deck itself boasts a fully stocked bar and elegant hardwood floors, providing ample space for you and your guests to dance the night away.

I, as your Events Manager, will be with you every step of the way. I am available throughout the planning process and will ensure everything is prepared for your special day. As a bonus, we offer a day-of-coordinator, who will be on-site on your special day to coordinate set up and ensure a seamless ceremony. As well as a free tasting for the Bride and Groom, flexible timelines, and wedding planning advice and tools.

To provide you with a firsthand look at our venue, I am delighted to schedule a tour at your convenience. Please let us know your availability, and we will work around your schedule.

For available wedding dates, please contact me or visit our calendar on the website. Additionally, visit and like our wedding Instagram page (@britanniyachtclub_weddings) for more pictures, news, and information.

I am enthusiastic about the opportunity to work with you and create lasting memories on your special day at BYC!

Best regards,
